

PassKeys Demo Links - March 2023 Double Click Meeting

=====

The following seven links were used as main sources for the main demo:

A video presentation about Passkeys from the 2022 Apple Worldwide Developers Conference

<https://developer.apple.com/videos/play/wwdc2022/10092/>

“Passkeys: what they are, and how they work” from the 1Password blog

<https://blog.1password.com/what-are-passkeys/>

“The passwordless experience you deserve” includes a short video by 1Password and also an interactive demo to create and login with a passkey (requires using the 1Password extension in the Chrome or Edge browser).

<https://www.future.1password.com/passkeys/>

A web page that provides a demo creation and sign-in with a passkey (can be used in Safari but requires macOS Ventura or iOS v. 16 or later)

<https://www.passkeys.io/#How-to-use-a-passkey>

Apple support page “Sign in to an account on your Mac with a passkey”

<https://support.apple.com/guide/mac-help/create-a-passkey-mchl4af65d1a/mac>

A passkeys directory that lists some websites that currently support passkeys.

<https://passkeys.directory>

“7 common misunderstandings about passkeys” from the 1Password blog

<https://blog.1password.com/passkeys-common-misunderstandings/>

=====
