

iCloud Drive

This Apple service allows you to securely access your documents via the Internet from your various hardware devices: iPhone, iPad, Mac computers (and even Windows PCs).

Following is a list of links of the resources that were used for the discussion of iCloud Drive for the January 2026 Double Click meeting.

=====

iCloud Drive information available on Apple's website

Third Party iCloud Drive information

iCloud eBook

An excellent tutorial and reference for iCloud services is the eBook by Joe Kissel, *Take Control of iCloud*. The cost is normally \$14.99. User Group members can use a discount link (as discussed in the talk-dc mail list) to get 30% off on any and all eBooks that you order:
